Invitation to Consultation Outcome Meeting

Dear Ambuj

Thank you for attending the consultation meetings held on Thursday 16 October and Monday 3 November 2025, where we discussed the possibility that your role may be made redundant following a review of our organisational structure under Project Ready. I am now inviting you to a further meeting, in which we expect to conclude the consultation process.

This meeting has been arranged for **Monday 10 November at 11:00am** via Microsoft Teams. A calendar invite has been shared with you with the dial in details. This meeting is confidential, and recordings of the call are not permitted but notes may be taken.

Elizabeth Romaine, Head of Reinsurance IT will conduct the meeting, and I will be present to advise and support the process from an HR perspective. Laura Baxter, HR Advisor will join the meeting to take notes. You may, if you would like, ask another employee to join you in the meeting, this could be another colleague or a member of our Employee Representative Body. Please note that companions may confer with you and clarify their own understanding but may not speak or ask questions on your behalf. Please let me know if you are being accompanied so that I can extend the invitation.

I appreciate that this may be a difficult and uncertain time for you, and I know that we can rely on your continued professionalism. I am sure it goes without saying that you are still bound by your duties towards the company, as your employer, including the confidentiality of your individual consultation.

Do remember that we operate an confidential, 24 hour Employee Assistance Programme ("EAP"). The telephone number is **0800 072 7072**. You may also utilise the EAP's online facility where you can find information and advice and submit a question via BeSupported | AXA

Health (https://www.axabesupported.co.uk/login) Access Code: **A858715.** Please note you will be asked to create a password when registering, then you would need to enter AXA XL unique access code after that point.

If you have any questions about the meeting, please contact me.

Yours sincerely,

Chloe Johnson
